Description

Book your event in the beautiful Altmühl Valley in Bavaria - here you will discover a modern conference centre amidst a dreamlike natural setting to enjoy peace and plenty of space for a successful event, just as you would like it to be.

The six buildings of the ABG Conference Centre nestle directly on the wooded hills above the quietly flowing Altmühl River and convey a sentiment of relaxation already upon arrival.

The 191 single and 49 double rooms are distributed over 5 residences. The main building is home to the reception, the restaurants and most meeting rooms. We offer 51 meeting, creative and group spaces for up to 170 people; 14 of our rooms seat up to 60 people.

The Casino Restaurant with an open terrace and a view of the Altmühl Valley serves meals and coffee breaks as a buffet. To relax in between you can take advantage of the swimming pool, sauna, rent-a-bike service, Crossboccia sets and - naturally! - the nature park.

Special features & further information

In the Altmühl Valley Nature Park, the natural landscape unfolds like a picture book. For centuries, the area has been home to busy trade routes and a meeting point for traders from various destinations. We continue this tradition here in the ABG Conference Centre.

Easy to reach in the middle of Bavaria: Hier, in the immediate vicinity of the most important industrial sites in Ingolstadt, Regensburg and Nuremberg, is a perfect location for networking, exchanging experiences and learning new stuff. Travel time is reduced to a minimum due to a good connection to the Munich and Nuremberg airports, ICE railway station and the nearby A9 highway.

Flexibility and participant experience are our top values. Events and seminars are our daily business, so we offer a great variety of opportunities for your event.

The 19 conference and 32 group spaces for up to 170 participants allow your event to follow any modern format. Beside standard seating, we offer BarCamp, World Café, Fishbowl, Design Thinking and Walk & Talk. We can provide a moderator on request.

Our creative spaces for 60 and 12 people offer an unusual and relaxed working atmosphere that invites the participants to get inspired by the environment, create and execute new ideas. The Altmühl River as the key theme of the region and group incentives on the water have added to the room design concept.

Our beautiful location amidst the impressive natural landscape adds even more value to your participant experience in fine weather, when you can take advantage of the whole area by running your group work and team play activities in the open.

We would be happy to assist you!
