## Description

Your conference hotel with charm and pure "Post Power": With more than 700 years of history as one of the oldest businesses in Bavaria, the hotel skilfully combines tradition and modernity. From 2019 to 2021, the hotel was extensively renovated down to the smallest detail. The result is an elegant retreat with 75 individual rooms, a conference area and banqueting hall with a very special flair.

Three modern conference rooms, all with natural daylight, air conditioning and access to the roof terrace, as well as the spacious ballroom offer space for every occasion.

In culinary terms, the Hotel Zur Post specialises in top regional cuisine with Mediterranean influences. In addition to various restaurant rooms such as the Kapellplatz, the Kaminzimmer, the Poststüberl and the Wintergarten, the Zuccalli café and cocktail bar is a hip meeting point and after-work location. Tobacco lovers can enjoy the Chesterfield-style Smoking Lounge.

## Special features & further information
