### Description

The two-story building in Tuscan style was built in 1850 as a postal station of the House of Thurn and Taxis.

Glanz & Gorilla has been operating the event space of around 4.000m<sup>2</sup> - consisting of the old Villa Flora, the atrium and the outdoor area with old trees - since January 2017.

## Special features & further information

The atrium with its multiple uses and greatest variability leaves hardly anything to be desired for your event.

Suitable for corporate events, summer parties, Christmas parties, meetings and product presentations, weddings, galas and much more.

The historic villa is ideal for your standing reception for up to 160 people and for workshops with several groups.

The spacious outdoor area of Villa Flora is characterized by its old trees. Since there are no residents in the immediate vicinity, it is also possible to celebrate here undisturbed.

From meetings of 50 people or more to exhilarating summer parties with 1.000 people, a wide range of events is possible.
