Description

The 25hours Hotel Munich The Royal Bavarian has found its place in Munich in the magnificent building at Bahnhofplatz 1. A building with its own history: What once served as a senior post office building and royal telegraph station in the last century is now a meeting place for travelers and city explorers. Right where Munich pulsates raw, urban and wild - in the center of the city. 165 rooms await guests: the room categories Small to Extra Large as well as Swan and Peacock Suites are retreats with differently inspired worlds. The heart of the 25hours Hotel The Royal Bavarian is the NENI restaurant and the Aperitivo Bar. The Boilerman Bar on the 1st floor is the perfect meeting place for communication and informal socializing.

Special features & further information
