Nockherberg's History

IT'S A PLACE FULL OF HISTORY.

THE NOCKHERBERG IS LOCATED BETWEEN THE AU RIVER AND THE DISTRICT GIESING ON THE EAST SIDE OF THE ISAR RIVER. HERE, BEER HAS BEEN BREWED SINCE 1634, FIRST BY MONKS THEN BY THE PAULANER BREWERY. THE NOCKHERBERG IS KNOWN NATIONALLY, THANKS TO THE ANNUAL "STARKBIER-ANSTICH" (STRONG BEER FESTIVAL), ACCOMPANIED BY THE POLITICIAN CALLED DERBLECKEN. THE FOLLOWING STRONG BEER PERIOD IS ALSO REFERRED TO AS THE FIFTH SEASON OF MUNICH.

EXPERTISE AND PASSION

Hosts Christian Schottenhamel and Florian Lechner welcome you at Nockherberg! Our team recognizes the high demands of every single customer. Passionately, do we plan your event to the smallest detail. Not only the location, but also our cuisine is unique.

A SHADY SPOT

Our beer garden, popularly known as “Paulaner Garten”, presents itself with 3.000 seats in the middle of the river Au.

In the center is the landmark located, the “Paulaner Brunnen”, known from diverse TV commercials. Public viewing events of soccer games take place here below green chestnuts in the summer time.

Three curling rinks in the winter invite you to a relaxing Bavarian curling, while enjoying a hot punch and mulled wine.

The beer garden can also be booked exclusively for company gatherings. Do not hesitate to contact us! Our team gladly advises you.

BAVARIAN CURLING

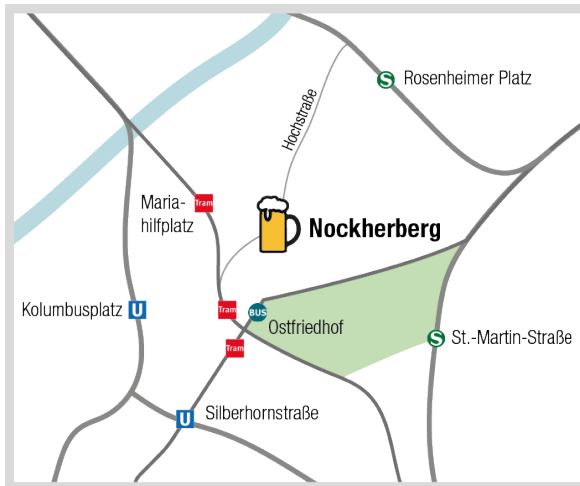

As a special opening for your Christmas party or just for fun, you can sportily test your strength on three curling rinks in our beer garden. There is no prior knowledge needed, but we recommend wearing warm winter shoes with a non-slip sole.
