# HOTEL MÜNCHEN PALACE

The Hotel München Palace is a unique 5-star boutique hotel located in the noble quarter Bogenhausen in Munich, Germany. Family-run and personally-managed – with a contemporary yet classical style – the luxury hotel gets everyone in the mood to experience Munich.

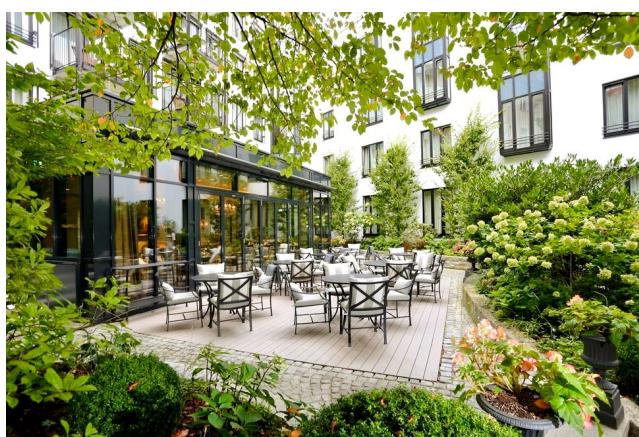

All 89 guest rooms, including 15 suites are individually decorated with attention to details. Finest classical modern furniture and artwork create a beautiful atmosphere and a pleasant mood. All rooms feature parquet flooring, air conditioning, elegant bathrooms, flat screen TV, Pay TV, minibar and high-speed internet access.

The exclusive wellness area on the 4th floor with direct access to a beautiful rooftop terrace invites to relax and offers a nice view over the roofs of Munich and the beautiful garden in the courtyard.

The Palace restaurant combines typical Bavarian dishes with creative international high-class cuisine and serves an exclusive selection of wines. The cosy Palace Bar is considered one of the most beautiful hotel bars in Munich and is just perfect for an indulgent afternoon tea or a drink after a visit in the opera.

Nearby are several fine art institutions, such as the Prinzregenten Theater or the Munich Philharmonic as well as the Friedensengel Monument and Maximilianeum. The famous English Garden – the biggest city park in Europe - is just a stone throw away and invites to beautiful walks along the river Isar. The city center with all its shops is about 15 minutes away. Subway and bus (Museum line) stops are just around the corner from the hotel, and Munich's fairgrounds (Messe and ICM) are a 10 minutes' drive away.

The Bar, the Restaurant and the gorgeous quite garden are all places to meet and relax – in short: cosmopolitan venues.
