BIGGEST DESIGN OFFICES LOCATION

With 16,500 m² this location is the largest property in terms of area. On 5 floors, the most modern new-work spaces ranging from work lofts and coworking spaces to creative meeting rooms and conference spaces offer a new home for Munich's movers and shakers - whether individual entrepreneurs, medium-sized companies or big companies.

Individual Look & Feel for all who want to make things simple.

NETWORKING IN THE NEW CREATIVE-HUB

MEETING ROOMS FOR 2 - 400 PERSONS

No matter how much space you need - you will find everything here: from individual and team offices to entire floors for corporate coworking.

HIGHLIGHTS

URBAN, LIVELY QUARTER

The new creative hub for makers is located in a great quarter with gastronomic variety, exhibition areas for art and culture, a variety of shopping facilities and hotels as well as a fitness studio.

ATTRACTIVE OUTDOOR SPACES

Three roof terraces and a 600 m² inner courtyard invite you to network or have an inspiring lunch break.

ARCHITECTURAL HIGHLIGHT

The impressive industrial architecture of the entire area is characterized by rough materials and striking silhouettes - broken up by relaxed green spaces.
