MODERNIZED CAMPUS

In the fall of 2022, the premises of Design Offices will also be among the workspaces on the 18,000-square-foot campus. In addition to classic coworking spaces, meeting and conference rooms, as well as flexible and flexible offices, Design Offices offers a completely new range of products in a more rustic and simpler style. Thus, the right working landscape is offered for every need.

ATTRACTIVE EXTERIORS

An inviting courtyard with a running stream, a cozy café, and a modern rooftop terrace round out the versatile campus location.
